Cygnets Newsletter

April & May 2008

Happy Birthday to the following children

Topic

Our next topic is People Who Help Us: We are hoping to arrange a series of visits to the nursery from people in different professions. CAN YOU HELP? Are any of you Doctors, Nurses, Cabin Crew, Dentist, Teachers, Carpenters, Tailors, Plumbers, Builders, Cleaners, Florist, Vets, Police Officer etc... any job at all. We would like to know if you have any time at all to spare ½ hour-hour to come and talk to the children about what you do, to bring some props if possible and do a little demonstration where appropriate. If you can help just let Christine, Natalie or Emma know.

I would also like to welcome two new members of staff to the Cygnets team. Terri, who is heading the After School Club and Kim who is working in Swans room

Holiday Club

Bojangles ran a very successful holiday club during the spring half term and their next holiday club will be running from Tuesday 27th May – Friday 30th May. Numbers continue to increase and it is advisable to book in advance to secure a place. The Summer Holiday Club will run from Thursday 24th July – Friday 29th August. For further information please contact Christine Price (Cygnets) on 01491 414434 or email nurserymanager@btclick.com

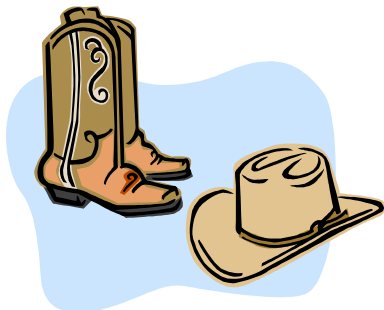

Congratulations and a big WELL DONE

To Natalie and Emma for successfully completing their charity Abseil.
They would both like to thank all of the parents and colleagues for their sponsorship
Together they raised a total of £317.00

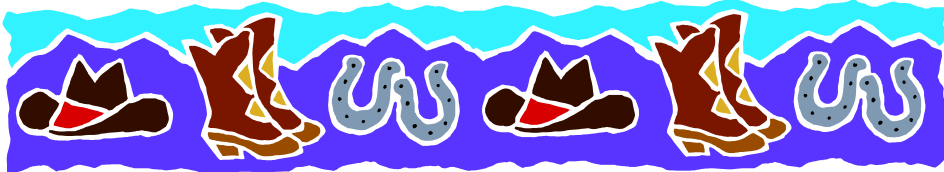

FUN DAY 2008

We are starting to look ahead to our next fun day which we hope to organize for August. Following the success of last years Themed Day, we are planning to make this a Country and western theme and it is hoped that as well as the usual attractions; we will have line dancing and/or square dancing, bucking bronco (for the adults) You the parents are the essence to the success of these occasions and last year you made it all worth while; it is a chance for you all to get together on a social occasion and we sincerely hope that you will all try to

come this year. We will be looking for help again and if you have any suggestions about what to include or ways to improve the day (Because the day is for you) then please let us know.

Other News

We will be attempting to hatch some more eggs, this time it will be Quails and hopefully we will have more success than last time. We will keep you informed.
